Subject: [referrer's name] recommended you

Hey {{contact.first_name}},

We just hired your friend [referrer's name] at {{organization.name}}. I asked her who the most amazing person she knows is, and [referrer's name] thought of you first!

She also made it clear that you'd probably not interested in joining our team, but I'd love to get to know you anyways. You can never know enough amazing people in life :)

Would you like to hop on a quick call today or tomorrow at noon?
What's a good number to reach you at?
